**WHILE MORE THAN**

**14 MILLION**

**PEOPLE GO HUNGRY.**

FoodForward SA collects edible surplus food from manufacturers, wholesalers and retailers, and redistributes this food to verified NPOs that collectively provide nutritious meals to thousands of hungry people daily. We call this process foodbanking. Since all the food is free, for every R1 donated, FoodForward SA is able to maximise to R13,87 worth of food value, making foodbanking as a model affordable and scalable.

**FOOD RESCUE:**

We source, collect, sort, store and distribute within date edible surplus food from our partners distribution centres.

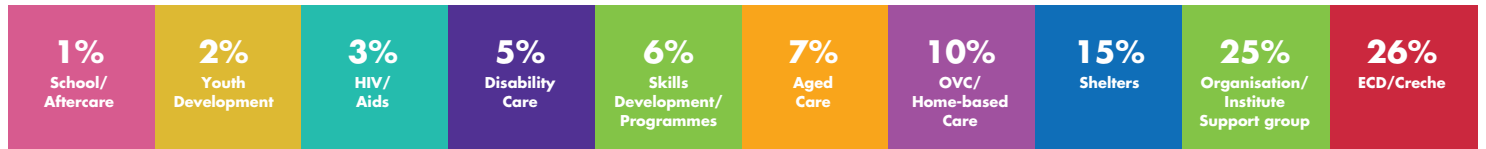

Virtual FoodBanking: We link Beneficiary Organisations to retail stores for the daily collection of surplus fruit, vegetables and general groceries - via an online innovation called the Foodbanking Platform.

**FOOD MANAGEMENT:**

We support emerging farmers, implement large-scale feeding programmes, and offer a tasty and nutritious easy to prepare meal

We implement School Breakfast programmes on behalf of corporate donors, providing in excess of 10 million breakfast meals annually.
